Police investigating double fatal shooting

Braintree Police and the Norfolk District Attorney's Office have identified the two young men shot in Braintree last night as a 16-year old from the neighborhood where the shooting occurred and a 19-year old from Dorchester.

The resident of Alfred Road was Jahzier Porter, age 16. At a 9 a.m. press conference at the Braintree Police Department including Norfolk District Attorney Michael W. Morrissey and Braintree Police Deputy Chief Timothy Cohoon, Braintree Mayor Charles C. Kokoros told reporters that Porter had been a Braintree High School student, and that he had been in contact with the superintendent of schools to discuss making resources available to members of the school community.

The second victim was Jayden Santos-Andrade, of Dorchester, who would have turned 20 next month.

Massachusetts State Police Crime Scene Services also responded to process the vehicle and larger crime scene overnight and were expected to have completed that process by late morning.

"We have two families grieving today," said Norfolk District Attorney Michael W. Morrissey, who was at the scene prior to the press conference. "We have detectives in the field from Braintree and State Police trying to gather evidence of what happened and who may have been involved.

"Any member of the public who believes they have information, or who lives in the area of Albert Road and may have seen anything unusual during the 1 a.m. to 2 a.m. time frame, or whose Ring or similar doorbell camera may have captured anything unusual, is urged to contact the Massachusetts State Police Detective Unit in the District Attorney's Office at 781-830-4990 or the Braintree Police at 781-794-8620," District Attorney Morrissey said.
